

Use Of Embroidery in Crazy Patch Quilting

A variety of embroidery stitches are used here in crazy patch quilting to embellish the fabrics, especially where two fabrics join. Here *Ricky Chestnut* has used Stem Stitch for the ear, a French Knot for the eye, Detached Chain Stitches along the shoulder, Fly Stitches, Herringbone Stitch with added French Knots, Chain Stitch and Buttonhole Stitch. Using variegated or fancy threads can add another dimension to the embroidery embellishments.
